

IMPACT REPORT

2025

hopeline

PREGNANCY CENTER

A LETTER FROM OUR EXECUTIVE DIRECTOR

When I reflect on the past year and all that God has done, tears fill my eyes. For nearly 40 years, He has been faithful to this ministry, and 2025 was no exception. Through valleys and mountaintops, Christ was always with us.

The valleys included heartbreak when women chose abortion, disappointment when fewer men engaged in our recovery program than we had hoped, and moments of uncertainty when some fundraising efforts fell short.

Yet the valleys made the mountaintops that much sweeter.

We witnessed women move from brokenness to freedom in Christ. Our fall benefit was Hopeline's largest attended and most supported since 2011. And most encouraging of all, **88% of women who came to us vulnerable to abortion chose LIFE.**

As we celebrate 40 years of rescuing generations in 2026, we trust that the same God who has carried us will continue to lead us.

Every time a need arose, you were there to meet it. Through the generosity of our church partners and private donors alike, gaps were filled, we were covered in prayer, our centers remained open and staffed, and lives were forever changed. Your combined faithfulness has sustained this work for nearly four decades.

You are the heroes. Thank you will *never* feel like enough.

faithful then. *faithful now*
Lamentations 3:22-23

Adrienne Greta
CNA, MPS, Executive Director

PREGNANCY CARE PROGRAM

Hopeline provides free life-affirming pregnancy support with the goal of empowering women and families facing unplanned pregnancies to choose life through medical services, education, practical help, and Christ-centered care.

Pregnancy Testing

Our medical team at Hopeline offers lab-quality pregnancy tests to patients. This is the first step for women who think they might be pregnant. For those facing uncertainty about their pregnancy, Hopeline provides this essential service to women in our communities.

Ultrasounds

Hopeline provides limited obstetrical ultrasounds (under the direction of our medical director) to confirm viability, determine gestational age and location, and allow mothers to see their baby. More than 78% of abortion-vulnerable women choose life after viewing an ultrasound.¹

Options Coaching

Trained staff offer judgment-free support to equip abortion-vulnerable women and men with the education, resources, and encouragement needed to make informed decisions with confidence and courage. For those who desire it, prayer and spiritual support are offered. Hopeline boldly stands for life and does not provide, recommend, or refer for abortions.

Material Support

Patients choosing to parent receive practical help, including a layette bag for the baby's first month as well as ongoing monthly baby supplies (diapers, wipes, clothing, strollers, car seats, etc.) for the child's first year, helping to build lasting relationships while reinforcing they are not alone.

Evangelism/Spiritual Support

100% of the people who come through our doors experience the love of Jesus through one or more of the following: gospel presentation, prayer, compassion, kindness, generosity, a listening ear, scripture, personal invites to local churches, a shoulder to cry on, and countless other ways God has called us to be His hands and feet.

PREGNANCY CARE STATS

AT A GLANCE

2,052 Total patient appointments

412 Pregnancy tests

160 Ultrasounds

1,480 Material resource appointments

60 Volunteers across the ministry

88% of women facing the highest risk of abortion **CHOSE LIFE!**

RECOVERY CARE

Recovery Care is dedicated to helping women and men find healing after choosing abortion, experiencing sexual trauma or poor relationship choices, and child loss. We facilitate Bible studies in person or online (individual or group), using books written by Hopeline's former CEO, Linda Cochran. Hopeline also offers annual healing retreats.

Post-Abortion Care (Men & Women)

Forgiven and Set Free and *Healing a Father's Heart* walk women and men through Biblical healing. These studies consist of 8–10 weekly sessions designed to help participants find forgiveness and freedom after abortion.

Child Loss

According to the National Library of Medicine, 15% of recognized pregnancies end in miscarriage.² In addition to miscarriage, some women suffer ectopic pregnancies or stillbirths. Our *A Time To Heal* study supports walking through healing after such painful losses.

Path to Sexual Healing

At Hopeline, we recognize that sexual trauma and/or poor relationship decisions can lead to a lifetime of brokenness. Through *The Path to Sexual Healing* Bible study, participants move from brokenness to embracing the healing and hope found in Jesus.

Recovery Care Stats

219 Total sessions

(including 18 training sessions)

78 Forgiven & Set Free sessions

29 A Time to Heal sessions

32 Path to Sexual Healing sessions

FINANCIAL REVIEW

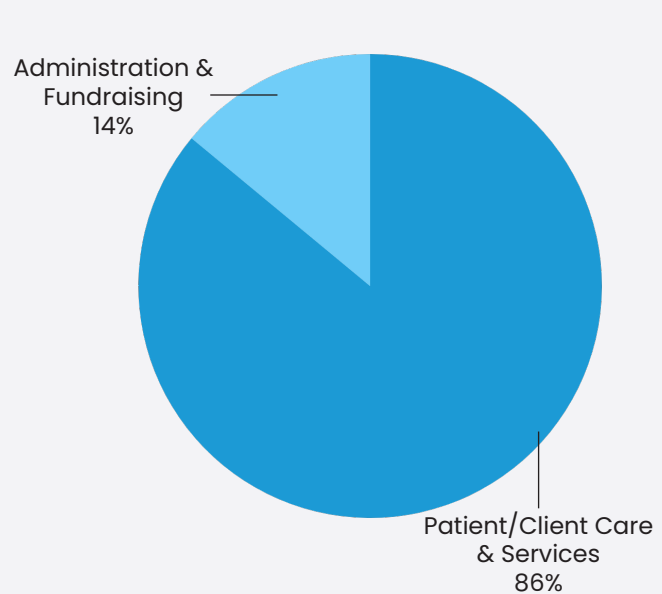

We remain **100% donor-funded** (no ongoing government funding) so we can stay available to meet patients and clients where they are at. All services are provided at **no cost** to those we serve.

THE GENEROSITY BEHIND THE IMPACT

REVENUE BREAKDOWN

ALLOCATION OF FUNDS

Every Dollar, Every Life. With your support, we direct **86 cents** of every dollar straight to the front lines of care. **Fully donor-funded and fully committed.**

FUNDRAISING HIGHLIGHTS

Baby Bottle Campaign Growth

Praise God! Participation grew significantly in 2025, resulting in a remarkable **97.5% increase** in giving. Thank you to every church and donor who filled a bottle with change, cash, or checks. Turning spare coins into saved lives.

Special Events

Four dynamic Donor Hosted Events (DHE): February private donor event, April workout fundraiser, August ice cream social, and December wrapping party. These joyful gatherings built community and raised critical funds.

Fall Benefit Update

Our largest benefit since 2011, welcoming nearly 300 registered guests in support of life. Inspiring testimonies, meaningful ministry highlights, and an impactful keynote speaker moved hearts resulting in a **98% increase** in total dollars raised in comparison with the 2024 banquet.

Choose life

These are not mere statistics—they are testimonies of God’s redemptive work. As Deuteronomy 30:19 declares, *“I have set before you life and death, blessing and curse. Therefore choose life, that you and your offspring may live.”* In 2025, God used your generosity and our shared obedience to help families choose life, experience His healing, and step into the abundant life He promises.

We are profoundly grateful for His guidance, for the faithful stewards who partnered with us, and for the privilege of serving as His hands and feet in Connecticut. As we look ahead, we remain committed to this calling: meeting the most vulnerable exactly where they are, stewarding every gift with reverence, and proclaiming the unchanging love of Christ that brings true life.

As we enter our 40th year of ministry, would you prayerfully consider renewing your partnership or making a special anniversary gift to help us continue this lifesaving work? Your generosity today will ensure that women and families facing unplanned pregnancies in 2026 will encounter hope, truth, and compassionate care when they need it most.

Thank you for joining us in God’s mission. May He continue to bless and multiply the impact of your faithfulness in the year to come.
